# DANCE HEADS

Be a Star, No Talent Required!

Through video and **green screen technology**, it puts event participants heads onto **professional dancers bodies** in the form of a music video.

DANCE HEADS

# This is how it works!

Pick a song you know and love!  
All songs are by the original artist.

Sing along, move your head and incorporate plenty of facial expressions during the song!

Then each guest then receives a DVD of their performance to enjoy at home.

Anyone can do it  
... any shape or any size!

You don't need to know how to dance,  
all we need is your face  
to turn you into a Star!

Each Star receives a DVD copy of their performance within three minutes!
